

ARE YOU READY TO **LEVEL-UP** your education?

ONLINE

Dickinson State University is offering master's programs in business, education, and athletics. These highly affordable, flexible programs offer curriculum that can be taken one course at a time in 8-week sessions. Most students complete in two years or less. *Scholarships are available for new graduate students.*

▶ **MASTER OF BUSINESS ADMINISTRATION**

▶ Credits: 30 ▶ Tuition and Fees: \$365.32 per credit ▶ Estimated Cost: \$10,959.60 total

The Master of Business Administration (MBA) program prepares you with the skills to innovate, collaborate, and lead effectively and efficiently. In this program, you will experience a rigorous involvement into the nature of business functions and processes and will learn through experiences and reflection. After completing this program, you will be prepared for advanced positions in the business environment that require critical and innovative thinking.

▶ **MASTER OF ENTREPRENEURSHIP**

▶ Credits: 30 ▶ Tuition and Fees: \$365.32 per credit ▶ Estimated Cost: \$10,959.60 total

The Master of Entrepreneurship (ME) program provides a rigorous immersion into the nature of entrepreneurship and the entrepreneurial process. The ME is targeted to students who have a passion for entrepreneurship in for-profit, nonprofit, or public sector contexts. Creative and critical thinking as well as decision making will be emphasized in this program.

▶ **MASTER OF EDUCATION IN ELEMENTARY EDUCATION**

▶ Credits: 34 ▶ Tuition and Fees: \$365.32 per credit ▶ Estimated Cost: \$12,420.88 total

The Master of Education in Elementary Education program is designed specifically for elementary education teachers to gain a deeper understanding of current methods and research associated with teaching in the elementary classroom by exploring key areas such as cross-curricular literacy, language arts, and math instruction and integrating technology purposefully for younger learners.

▶ MASTER OF EDUCATION IN EDUCATIONAL LEADERSHIP pending HLC approval

▶ Credits: 34 ▶ Tuition and Fees: \$365.32 per credit ▶ Estimated Cost: \$12,420.88 total

The Master of Education in Educational Leadership offers a rigorous immersion into educational leadership and school administration. The coursework focuses on application of administration leadership in schools K-12. Upon completion of the program, students will be qualified for licensure in grades K-8. This program of study is aligned with the National Educational Leadership Preparation Program (NELP) Standards (Building Level).

▶ MASTER OF ARTS IN TEACHING

▶ Credits: 35 ▶ Tuition and Fees: \$365.32 per credit ▶ Estimated Cost: \$12,786.20 total

The Master of Arts in Teaching (MAT) prepares highly qualified mid-career professionals and recent higher education graduates as secondary school teachers. The program is designed for individuals without teaching credentials but who have successfully completed a baccalaureate degree and wish to become a teacher in an expeditious fashion. The MAT is not an advanced credential for practicing teachers but rather a graduate pathway to teacher licensure.

▶ MASTER OF SPORT ADMINISTRATION IN ATHLETIC LEADERSHIP

▶ Credits: 30 ▶ Tuition and Fees: \$365.32 per credit ▶ Estimated Cost: \$10,959.60 total

The Master of Sport Administration in Athletic Leadership prepares highly qualified mid-career professionals and recent higher ed. graduates to advance their coaching or athletic administration career. The program is designed for individuals who have successfully completed a baccalaureate degree and wish to pursue a master's degree to advance their career and opportunities in the coaching or athletic administration arena.
