Overview**Academic Libraries Overview**

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenditures, and library services for libraries in degree-granting postsecondary institutions.

Recent changes

The Academic Libraries survey component is new to IPEDS for the 2014-15 collection cycle. The Academic Libraries component for IPEDS replaced the previous Academic Libraries Survey, which was collected from degree-granting postsecondary institutions every other year in odd-numbered years. The new Academic Libraries component is mandatory and will be collected annually in the spring starting with the 2014-15 data collection cycle. Visit the [Academic Libraries Resource](#) page for more information on reporting changes.

Data Reporting Reminders

Report all data for fiscal year (FY) 2014. Fiscal year 2014 is defined as the most recent 12-month period that ends before October 1, 2014, that corresponds to the institution's fiscal year.

Coverage:

A screening question in the Institutional Characteristics (IC) Header component determines the institutional level of reporting for degree-granting institutions on the Academic Libraries component. If the total library expenditures = 0, the institution will not submit the Academic Libraries component. If annual total library expenditures are > 0, the institution will submit Section I of the Academic Libraries component. Institutions with total library expenditures >\$100,000 will report additional expenditures and interlibrary services information in Section II of the Academic Libraries component.

Perform Edits	The amount entered for Total Expenditures is outside the expected range of between \$266,400 and \$399,600 when compared to the Total Expenditures reported in IC Header. Please correct your data or explain. (Error #15003)	Explanation	Yes
Reason:	The amount for "Total Expenditures" entered for the DSU Library in the IPEDs IC Header were staff salaries only. The confusion regarding the monetary amount may have occurred due to the libraries survey being a new IPEDs survey and because Dickinson State University also hired a new head librarian starting the fall semester of 2014.
