  - b. Class Schedules: Plans on making a 4 day week is mainly to prove a point to offer more classes to students, and not due to budget cuts, students might have problems with the cafeteria meal plan if we were to have a 4 day week, perhaps classes can be spread out on 4 days a week on a departmental basis as for some departments it is not possible to have a four day week. Approach Faculty senate to reach out to the departments and have a meeting to discuss the matter.
