ACCUPLACER

ACCUPLACER Exam

ACCUPLACER is a computer adaptive testing that uses the computer to select and deliver test items to examinees. In an adaptive test there is a pool of test items that have been written to the various test content areas of each test. Each item has been calibrated for difficulty. The sequence of test questions and the questions themselves vary from student to student. ACCUPLACER test scores are used to help place students in the appropriate level of math and English classes where they will find the most success at Dickinson State University. ACCUPLACER scores are valid for three years from the test date. DSU students are encouraged to take ACCUPLACER – Writeplacer for the English Composition Placement test.

TESTING CENTER

Dickinson State University works to accommodate individuals wishing to take ACCUPLACER exam. It is not necessary to be enrolled at DSU to test at DSU. The DSU Testing Center is located in the lower level of Stoxen Library (See the Campus Map below), and is open Monday~Friday 1:00pm ~ 4:30pm.
