In determining which option to utilize, the instructor should select the option which will not conflict, overlap, or disrupt the regular on-campus final exam schedule,

OPTION 1 – Administer the final exam during the last regularly scheduled class session prior to on-campus final exam week.

OPTION 2 - Administer the final examination during final exam week on the same day and time as the regularly scheduled class session. Be sure to contact the distance education coordinator with respect to room availability.

NOTE: Be sure to notify your students regarding the option that you select.
