-		When you confirmed your enrollment to the campus, some of your personal information, like your name, ID number and demographic information, was made available to campus employees who work with you, including staff, faculty and some student employees.	
		If you decide to share your personal pronouns, your pronouns will be included along with other information provided to campus employees.	
		Examples of where your personal pronouns will be available include the class roster provided to instructors and staff including your photo and the student record in campus systems that advisors and other student services staff use to work with you.	
		Sexual Orientation	
		Sexual orientation is not shared with class instructors or other campus partners, including neath services. Authorzed campus employees with access to your bio-demographic information will also have access to your sexual orientation.
