Overnight Guest Policy

Dickinson State University has established the following guest policy:

- a. Out of respect for the privacy of roommates, suitemates, and other residents of the hall, students may only have overnight guests of the same gender. The policy applies equally to family and non-family members. Students who have guests of the opposite gender are encouraged to make arrangements with on-campus friends of that gender to serve as hosts.

- b. Students who would like to host an overnight guest must have the prior approval of all roommates and suitemates and they must register their guest with the hall director. To register a guest, the host must complete a Guest Registration Form with the Office of Student Life. These forms can be obtained in the offices within each Residence facility. The forms must be turned in no later than 48 hours prior to the guest's arrival.

- c. Roommates and suitemates should not be forced to give up their room to accommodate overnight guests nor should a guest be invited to stay when a roommate is absent unless the roommate has consented in advance. Roommates and suitemates have the right to say no to the presence of overnight guests in the residence.

- d. Students who host overnight guests are limited to:
 - a. Hosting no more than one guest per night for no more than three nights in a row.
 - b. No more than 5 overnight guests per semester.
