

Combined/Accelerated Degree Program Declaration Form

This form should be used by DSU undergraduate students seeking approval to apply to a combined/accelerated degree program. With the permission of the responsible undergraduate and graduate faculty, the student may be conditionally admitted into a combined/ accelerated degree program, pending completion of the following undergraduate requirements:

- ◆ A minimum of 60 undergraduate credits completed.
- ◆ A minimum cumulative GPA of 3.0.

Application for acceptance into a combined/accelerated degree program must be submitted to the participating department/school chair or program coordinator (preferably in the junior year or before the end of the student's seventh standard semester).

NOTE: If this form is approved, students must [apply online](#) to the Graduate School in accordance with standard graduate application procedures. A copy of this approved form must accompany the application materials or be submitted directly to the Graduate School by the sponsoring department. This form **IS NOT** an admission application for graduate study at Dickinson State University.

Graduate tuition will be assessed for graduate credits approved for double-counting toward requirements for both undergraduate and graduate programs of study. Double-counted graduate credits count toward totals for financial aid. Mandatory Student fees, however, are capped at 12 credits, regardless of program. If funding permits, students may be supported as teaching or research assistants, thereby qualifying for a tuition waiver on graduate tuition.

Questions about this form, contact the Director of Graduate Studies at Klinefelter Hall 204, 701-483-2178, or joan.aus@dickinsonstate.edu
An asterisk [*] denotes a required field.
