2020-2021 Verification of Untaxed IRA/Pension

This information is being requested because the U.S. Department of Education would like to verify if the amount of untaxed IRA/Pension listed on your 2020-2021 FAFSA was a rollover. The untaxed portion of an IRA, pension or annuity must be included as untaxed income on your financial aid application unless it was a rollover to another retirement plan. A “rollover” is a tax-free distribution of cash or other assets switched from one retirement plan to another. Please refer to your/your parent’s 2018 Federal Tax Return and enter the amounts from the appropriate lines below. Specify whether each was a rollover, a distribution paid to you/your parent(s) (not a rollover), a rollover to a ROTH IRA or a life insurance policy.
